

Kerala Police Constable, SI Notification 2023

The [Kerala Police Department](#) was established in 1956 and, like other state police agencies, was led by the Director of General Police. This department's primary responsibilities are to maintain safety and reduce crime in the state. This department has been divided into a number of branches and district police cadres to enable more efficient operation. Before applying, everyone must be aware of the fundamental responsibilities of the organization. The Kerala Police identified a lot more open positions in the categories of Sub Inspector, Constable, Head Constable, and Other as compared to prior years.

Candidates who are interested in the newest police positions are entitled to apply, and a written exam at the graduate/higher secondary level will be administered. Candidates who meet the requirements may apply online at the official website.
